#### **Year 2010-2019**

#### Helen Doron /AQAP School

Teaching children in a fun and stimulating way. The 'Kiss' method was often used "keep it simple with a song". I played the songs on the guitar, so it was much more interesting for the children. Outdoor activities were planned during the summer months. Themes were used such as The Olympics.

#### **School year 2021**

#### Kindergarten Junikorn:

Němcové 573/3, 323 00 Plzeň 1-Severní Předměstí

I was entertaining children from 3-6. Various activities from colours to counting, using balloons, drawing and art and crafts. All in the spirit of having lots of fun.

## School year 2015

### 2. Základní Škola Plzeň Schwarzova 20

Teaching in a classroom environment. Kindergarten/1st grade to the 7th, but only once a week. Obligations were making animals, shapes, and singing songs with the youngest children, to teaching from the Cambridge FCE book to the older children. There was also an additional class for students who were falling behind with their English that needed an extra class. I taught in a high spirit, and had to motivate these students, not condescend them.
